NOTE: Removal of equipment, fittings, enclosures and antennae are almost always mandatory for covering and are not included in the price. These items not removed by the customer will be performed by the yard and the customer billed accordingly. The boat owner may persist that the canvas and/or enclosures be left in place. SHM Stratford will NOT accept responsibility for any such damages. Winter covers will apply considerable pressure on rails, stanchions and other exposed appendages. SHM Stratford will take every measure to protect these areas but cannot guarantee their resilience and therefore will not be held liable if damages transpire.

ALL SHRINKWRAP MUST BE RECYCLED - YARD WILL PROVIDE CONTAINER FOR MATERIAL DISPOSAL

Member Name: _____

All customers will be billed for recycling costs even if they remove their shrink-wrap from the marina. Customers whose shrink-wrap is not disposed of according to SHM Stratford guidelines set forth by the CT DEEP will be charged for proper recycling. *Not including materials, spring disposal, and removal of enclosures or covers.

Vessels covered before winterizing are subject to additional charges. Keys or combination must be provided or delays will occur. Rates are based on land storage of vessels. Additional charges apply if batteries are removed or found discharged before winterization. The Marina is not responsible for winterization arranged after freezing weather commences.

We ask that you please read the GENERAL YARD RULES & CONDITIONS attached to this agreement, and that you understand them fully before signing. If you have any questions please give us a call. Bills will be processed at the completion of the job. **Invoices are due upon receipt.** A 1.5% service charge (18% annually) will be added to all balances 30 days past due. All legal and collection fees are the responsibility of the vessel owner. All bills must be paid prior to launch.

I have read the conditions stated herein and request that the work indicated above be performed.
