Shrink Wrap Boat Covering

Shrink wrap flat rate price does not include the cost of materials. Covers and frames are fully guaranteed for **one winter storage season only**. All shrink wrap materials are required to be recycled at the owner's expense. Shrink wrap bags are available to be purchased in the office.

Base pricing for shrink wrap is for "traditional" shrink wrap covers only. Any custom shrink wrap covers or partial covers for cockpits, flybridges, etc. is based on time and materials.

Shrink wrap removal is charged at an additional cost. Sakonnet Marina is not responsible for cover or frame induced damages on paint, gelcoat, stanchions, lifelines, pulpits or any other vessel surfaces of attached structures.

For safety reasons, Sakonnet Marina employees are **only** allowed to "heat" shrink your boat. If you choose to cover your boat yourself, Sakonnet Marina will heat shrink it at a cost of \$150.00.

_____ 5690 – Shrink wrap boat	\$15.00/ft
_____ 5692 – Shrink wrap door (in additional to "5690")	\$50.00
_____ 5693 – Bridge or fly bridge (in additional to "5690")	\$150.00
_____ 5694 – Sailboat with mast in (in additional to "5690")	\$200.00
_____ 5696 – Outriggers (in additional to "5690")	\$150.00
_____ 5697 – Shrink wrap boat in water (in additional to "5690")	\$200.00
