### **INSIDE & OUTSIDE STORAGE INCLUDES HAULING, WASHING THE BOTTOM, BLOCKING, & LAUNCHING**

( ) **INSIDE\***- \$13.00/ft<sup>2</sup> x LOA x Beam or \$ 110/ft x LOA, whichever is greater. The Yard will measure all inside storage boats to determine maximum beam & length overall, including bow pulpits & swim platforms. Please see additional requirements below\*

\* The Yard will perform the following work & will proceed automatically. It will be billed as per attached price schedules. Wash exterior prior to going inside. Complete winterization, including oil & filter changes. Routine mechanical work during the winter months will include, (engine zincs, strainer cleaning, engine paint touch-up, water pump impellers, etc.). Spring commissioning complete; bottom paint, clean & wax exterior complete, & any teak work. Customers with work in addition to the above wanting inside storage will be given preference for inside storage. Any propane canisters must be removed & stored at the marina for additional costs. Due to insurance regulations, customers are not allowed to work on boats stored inside.

( ) **OUTSIDE** - \$ 5.50/ft<sup>2</sup> x LOA OR \$62/ft x LOA; whichever is greater (SAILBOATS MAST UP ADD 15%)

( ) **UNSTEP MAST** - time & materials to unstep & step: \$185.00/hr crane & operator, riggers \$95.00/hr. \$3.10/ft x length of mast for storage, \$3.30/ft x length of mast with radar. Furler storage is \$48.00.

If the mast is left standing, there is a potential danger of the boat being blown over while being stored on I&. The yard will not be held responsible for any such occurrences. Owners are advised to check with their hull & liability insurance carrier regarding winter storage requirements in their policies. Yard is not responsible for masthead equipment, radar, & furler damage. The yard recognizes the delicacy of this equipment & will handle it with the greatest care possible.

( ) **WET STORAGE** - \$ 50.00/ft x LOA, runs from Nov 1st to May 30<sup>th</sup>.

Price does not include electricity or ice protection. Both are billed separately. A \$25.00 minimum monthly electric charge will be billed to all wet stored boats. Portions of snow removal, ice eaters if necessary will also be billed. The marina shall not be held responsible for any ice related damage. All seacocks must be in serviceable condition & be closed during the winter months.

( ) **WINTER WET LIVE ABOARD** - \$53.00/ft x LOA, runs from Nov 1<sup>st</sup> to May 30<sup>th</sup>. Plus electricity & ice eaters.
